

FXI CLIMATE FLOW™ Composite

Product Sheet

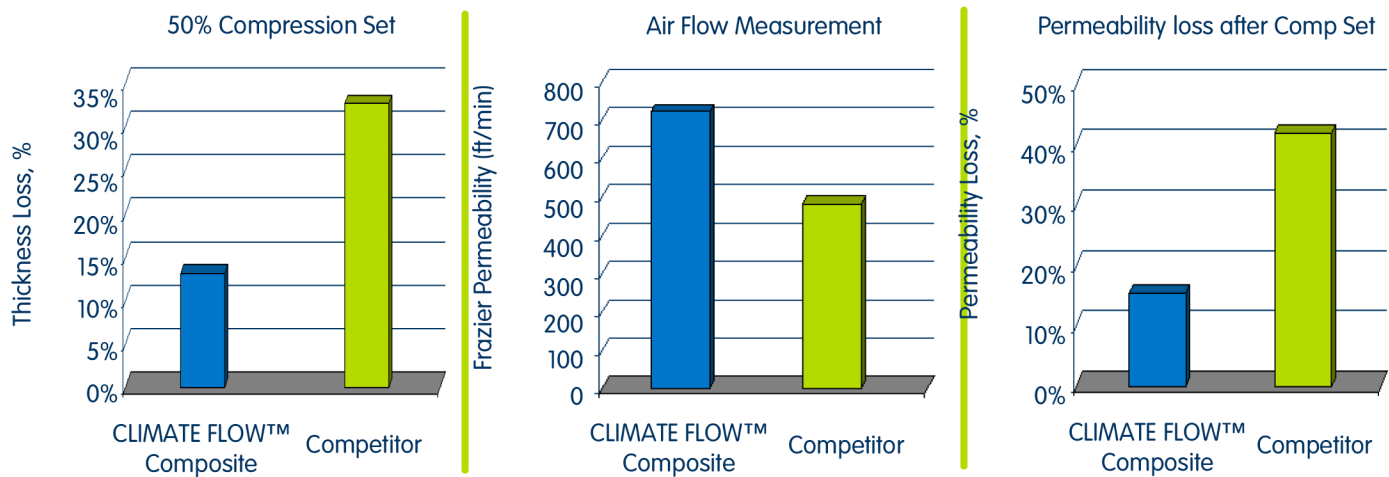

Flexible Polyurethane Foam Composite

Typical Application: Ventilated Seating Component

CLIMATE FLOW™ Composite was developed to maximize airflow. Its highly porous protective scrim prevents shedding of leather particles.

Benefits:

- Excellent Compression Set (See chart below)
- Superior airflow to alternative products (See chart below)
- Eliminates leather B-side fiber degradation (bearding)
- Cost effective solution available in 48"x96" sheets
- Die Press Friendly (easily cut in stacks with no fray or mess)
- Cleaner to work with than other spacer materials
- Sewing Friendly
- Meets FMVSS302
- Meets bond strength specs: GMW3220 and JCI TQPM-PLUS-SP-06-02-E

This product data sheet is considered to be an uncontrolled document outside of FXI. As such, this sheet is subject to revision without notification. Test standards specified in SI (Metric) Units only. Values indicated here are both SI (Metric) and English Units using appropriate conversion factors and rounding off where expedient. **IMPORTANT NOTICE REGARDING FLAMMABILITY** – All polyurethane foams including combustion modified foams will burn and generate smoke and gases. Performance conditions and corresponding data refer to typical performance in specific tests, such as UL-94 and MVSS-302, and should not be construed to imply the behavior of this or any other product under the other fire conditions. All data regarding these products were obtained using specific test methods under controlled laboratory conditions intended to measure performance against specifications. Due to the great number and variety of applications for which FXI products are purchased, FXI does not recommend specific applications or assume any responsibility for use results obtained or suitability for specific applications. FXI warrants its products only to direct buyers. (See FXI's Standard Terms and Conditions of FXI's warranty) IN NO EVENT SHALL FXI BE RESPONSIBLE FOR ANY CLAIM IN EXCESS OF FXI'S SLE PRICE OF THE PRODUCT TO WHICH THE CLAIM RELATES. © FXI All rights reserved.
